

NOT FOR DISSEMINATION OR RELEASE IN THE UNITED STATES
FOR IMMEDIATE RELEASE IN CANADA

**TRAVEL GAME BLOCK CHAIN INC. AND ZERO 8 STUDIOS HAVE BEGUN FIRST
PHASE OF MULTI-DIMENSIONAL TRAVEL GAME PLATFORM**

NEWS RELEASE

TSXV:ZMA

VANCOUVER, BC – February 14th, 2018 – ZoomAway Travel Inc. (TSXV: ZMA) (the “Company”) www.zoomawaytravel.com and its wholly owned Canadian subsidiary Travel Game Block Chain Inc. are pleased to announce that Zero 8 Studios (www.zero8studios.com) has agreed to work with the company to get the first phase of our patent pending game under way.

The first phase of development includes the finalization of the production budget, creation of the story boards, presentation materials, revenue projections and the creation of a website dedicated specifically to the game. The two companies expect to have this first phase complete no later than March 15th, 2018. The goals of the first phase are to have a full presentation available to shareholders and other investors, file for full U.S. Patent protection, and to lay the groundwork for Phase Two which is product demos.

“The decision to have Zero8 involved with the production of this game was an easy one. With over a decade of technology development experience and progressive production practices, they have proven their ability to build a platform of this scale. The team at Zero8 has worked with numerous clients developing large scale technology systems generating millions of dollars in revenue annually. I am confident that our new travel game platform will be an industry changing product. Our teams work great together, and we are excited to have such an experienced team dedicated to building out our new cutting-edge concept.” Stated Sean Schaeffer, CEO of ZoomAway Travel Inc.

“We are excited to create a new gaming platform that truly combines the best components of multiple industries into one place. We expect to take all the best social features of modern day casual games and give users a reason to explore the locations and amenities of the world around them through an experience unlike anything ever imagined. We excel in developing new and innovative technologies and we believe ZoomAway's existing blockchain technology lends itself perfectly to this new platform while creating an engaging player experience, beyond anything on the market today.” Stated Ryan Cullins, CEO of Zero8 Studios, Inc.

About Us

ZoomAway, Inc. (Nevada Co.) provides leading hotels, golf resorts, ski resorts, and activity providers with a seamless, scalable, and fully integrated Technology Platform that allows for the discounted packaging of lodging, ski, golf, activities, and attractions. It seamlessly integrates into client websites, providing their customers with a real time one-stop shop for all of their travel and recreational needs. Additional information about ZoomAway Inc. can be found at www.zoomawaytravelinc.com.

Travel Game Block Chain Inc. (Canadian Co.) is our new company dedicated to housing new projects in the Digital Games and Block Chain formats.

Active Smart Contract Inc. (Nevada Co.) is currently in scheduled development and planned as a service provider, enabling merchants to accept both credit card and crypto currency payments on a single platform. Proposed Active Smart Contract features will facilitate simple integration for ecommerce websites, apps, and others to process multiple payment types with a simple set of APIs. The framework will allow merchants to manage their transactions through a robust reporting system. www.activesmartcontract.com

Forward Looking Statements

This release includes certain statements that may be deemed “forward-looking statements”. All statements in this release, other than statements of historical facts, that address events or developments that the Company expects to occur, are forward-looking statements. Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words “expects”, “plans”, “anticipates”, “believes”, “intends”, “estimates”, “projects”, “potential” and similar expressions, or that events or conditions “will”, “would”, “may”, “could” or “should” occur. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results may differ materially from those in the forward-looking statements. Factors that could cause the actual results to differ materially from

those in forward-looking statements include regulatory actions, market prices, and continued availability of capital and financing, and general economic, market or business conditions. Investors are cautioned that any such statements are not guarantees of future performance and actual results or developments may differ materially from those projected in the forward-looking statements. Forward-looking statements are based on the beliefs, estimates and opinions of the Company's management on the date the statements are made. Except as required by applicable securities laws, the Company undertakes no obligation to update these forward-looking statements in the event that management's beliefs, estimates or opinions, or other factors, should change.

Neither the TSX Venture Exchange nor its Regulation Service Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release. The TSX Venture Exchange Inc. has in no way passed upon the merits of the proposed Offering and has neither approved nor disapproved the contents of this press release.
