VANCOUVER, BC – February 28TH, 2018 – ZoomAway Travel Inc. (TSXV: ZMA) (the “Company”) www.zoomaway.com is pleased to announce that it is providing its RMS ticketing and registration system to The Barracuda Championship, a PGA tour event, for the second straight year.

Zoomaway’s RMS technology creates a branded sales portal to sell event tickets and other related items through a user friendly interface. The Barracuda Championship will use the RMS to sell General Admission, Hospitality, Parking, and Charity event tickets. This year, the event will be celebrating its 20th Anniversary.

“The team at Zoomaway have been great to work with and their ticketing system makes our jobs so much easier. As an event with ever changing ticket products, edits to our ticketing site were always made quickly and with little to no down time. Last year was our first year using the ZoomAway product and it was the smoothest year yet. We are thrilled to have Zoomaway as partners.” Stated Chris Hoff, Tournament Director at the Barracuda Championship.
