**ZOOMAWAY'S ACTIVE SMART CONTRACT INC. IN TALKS WITH WINDSOR
BROWN CORP.**

NEWS RELEASE

TSXV:ZMA

VANCOUVER, BC – February 5th, 2018 – ZoomAway Travel Inc. (TSXV: ZMA) (the “Company”) www.zoomawaytravel.com has announced today that its wholly owned subsidiary, Active Smart Contract Inc. (ASC), has begun talks with Windsor Brown Corp. located in British Columbia.

Windsor Brown is building a Crypto-Currency exchange and has sought out Active Smart Contract and its company President, Tim Berfield, “to consider adding specific pieces to their project. Primarily, the company is looking for a technology partner with the payment processing and Customer Relationship Management (CRM) experience that ASC and Mr. Berfield can bring to the table.” -Windsor Brown, President Naresh Mann.

In a meeting last week in Las Vegas, both the Windsor Brown and Zoomaway/ASC teams laid out the groundwork for a potential relationship. “At this time, we are in talks to discuss the depth of the relationship going forward, whether it be a simple working relationship with ASC as a sub-contractor or whether the two companies explore a deeper relationship, including either a Joint Venture or Revenue Share arrangement. We are conducting due diligence at this time and are confident that we will be able to get to a Letter of Intent (LOI) very soon.” -Tim Berfield, President of Active Smart Contract Inc. and CTO of Zoomaway Travel Inc.

More information on this project will be made available as soon as possible.

Forward Looking Statements

This release includes certain statements that may be deemed “forward-looking statements”. All statements in this release, other than statements of historical facts, that address events or developments that the Company expects to occur, are forward-looking statements. Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words “expects”, “plans”, “anticipates”, “believes”, “intends”, “estimates”, “projects”, “potential” and similar expressions, or that events or conditions “will”, “would”, “may”, “could” or “should” occur. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results may differ materially from those in the forward-looking statements. Factors that could cause the actual results to differ materially from those in forward-looking statements include regulatory actions, market prices, and continued availability of capital and financing, and general economic, market or business conditions. Investors are cautioned that any such statements are not guarantees of future performance and actual results or developments may differ materially from those projected in the forward-looking statements. Forward-looking statements are based on the beliefs, estimates and opinions of the Company’s management on the date the statements are made. Except as required by applicable securities laws, the Company undertakes no obligation to update these forward-looking statements in the event that management’s beliefs, estimates or opinions, or other factors, should change.

Neither the TSX Venture Exchange nor its Regulation Service Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
