ZOOMAWAY NEVADA SERVICING LARGE OPERATOR OF SKI RESORTS

NEWS RELEASE

TSXV:ZMA

VANCOUVER, BC – March 7th, 2018 – ZoomAway Travel Inc. (TSXV: ZMA) (the “Company”) www.zoomaway.com announces that its wholly owned Nevada subsidiary, Zoomaway, Inc., has been providing its Registration Management System (RMS) to a major corporate owner and operator of ski resorts.

ZoomAway’s RMS technology provides clients with a white labeled solution for event registration, reservation booking and inventory management for virtually any industry. The RMS provides ZoomAway with revenues via licensing and transaction fees.

This particular client uses ZoomAway Nevada’s RMS for its ski shuttle reservations and to provide private groups with branded sales portals, enabling any of its resorts to have a white-labeled solution. For the 2017/2018 ski season thus far, ZoomAway has provided over thirty group portals to this client.

“Our RMS creates some incredible opportunities for us. It’s so flexible that it can be used for leisure groups, athletic events, conventions, family reunions, weddings and is even the official ticketing system for a PGA Tour event. The marketing and continued expansion of this simple yet powerful tool is one of our main priorities for 2018 ...” stated Sean Schaeffer, CEO of ZoomAway Travel Inc.
