NEWS RELEASE

TSXV: ZMA

VANCOUVER, BC – June 11th, 2018 – ZoomAway Travel Inc. (TSXV: ZMA) (the “Company”) www.zoomawaytravel.com and its wholly owned Canadian subsidiary, Travel Game Block Chain are pleased to announce the name of their patent pending blend of Travel, Social Media and Digital Based Games. The revolutionary product is called ZoomedOUT®.

The company is also pleased to announce the launch of the Game’s website, www.zoomedout.io. As previously announced, Zoomaway plans to build the world’s first “Gamified” travel utility addressing the multi-billion-dollar travel, social media, and mobile games markets.

“Think of this product as a complete and total re-imagination of the booking process. The online giants in today’s travel market never tell you or show you anything about where you are going. The days of scrolling through lists of hotels and researching everything else on multiple sites will someday be a thing of the past. We are very excited about this concept, we believe that consumers of all ages will enjoy using our product for research, planning, booking, gameplay, and finding the hottest things to do wherever they are going. This game has so much revenue potential, so much opportunity to change the market; we can’t wait to get this built.

“We have chosen Las Vegas as our Beta City for obvious reasons, we have been assembling the right team of advisors and collaborators, and now the Board and management are working on multiple plans to help us get this unique concept built. We are still working with our other products, this concept fits what we do, its travel re-defined and it’s the future. Stated Sean Schaeffer, CEO of Zoomaway Travel.
