## **ZOOMAWAY ANNOUNCES COMMITMENT LETTER FOR US\$1.5 MILLION CONVERTIBLE DEBENTURE FINANCING**

**NEWS RELEASE**

**TSXV: ZMA**

VANCOUVER, BC – September 20, 2018 – ZoomAway Travel Inc. (TSXV: ZMA) (the “Company”) [www.zoomaway.ca](http://www.zoomaway.ca), a leader in Hospitality Industry innovation, is pleased to announce that it has received a commitment letter (the “Commitment Letter”) from an Ontario based investment management firm (the “Investment Firm”) to undertake the previously announced financing by issuing to the Investor, senior secured, collateralized convertible notes for a maximum of USD \$1,500,000 (the “Notes”)

The Company has paid a facility fee of USD \$75,000 to the Investment Firm and previously issued 3,800,000 common shares of Zoomaway Travel to the VC firm at a deemed price of \$0.05 per share for due diligence and related costs. Zoomaway has agreed that a break fee of \$225,000 payable to the Investment Firm if, for any reason, the company decides not to proceed with the funding.

Proceeds from the notes are expected to be used for the development of the Company's revolutionary new gamified platform “ZoomedOUT” ([www.zoomedout.io](http://www.zoomedout.io)) designed around its beta launch city, Las Vegas, NV. Las Vegas was chosen due to its high volume of tourism, its intrinsic need for more entertainment, as well as the teams’ vast experience in the casino & hospitality industries. In addition, the company will be using the proceeds for growth capital and is researching several acquisition targets that it believes can further the revenue potential of both the ZoomedOUT platform and the companies existing technologies.

Sean Schaeffer, CEO of Zoomaway Travel, commented, "After years of planning, we are very excited to begin taking the ZoomedOUT platform into development. We believe that by offering everyone a more engaging way to experience the world around them, we will change people's perspective and in-turn become a true pioneer in the gamification of travel, and possibly more. This is a product we believe can change the face of the Hospitality Industry forever.”

The company is working with social gaming developer Zero 8 Studios to identify acquisition opportunities as well as begin development on this project as soon as the funding is available. Ryan Cullins, CEO of Zero 8 Studios, commented “As a shareholder of ZoomAway Travel and the developer of the ZoomedOUT platform, we have a unified interest in creating a product that we expect to disrupt multiple industries simultaneously. In over 20 years as a developer, I have never come across a concept with more revenue-generating potential than ZoomedOUT.”

All securities issued or issuable in connection with the Notes and loans are or will be subject to a statutory hold period expiring on the date that is four months and one day after the distribution date. None of the securities issued or issuable in connection with the Notes and loans will be registered under the United States *Securities Act of 1933*, as amended, and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements. This press release

shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of the securities in any jurisdiction in which such offer, solicitation or sale would be unlawful.

### **Forward Looking Statements**

This release includes certain statements that may be deemed "forward-looking statements". All statements in this release, other than statements of historical facts, that address events or developments that the Company expects to occur, are forward-looking statements. Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects", "plans", "anticipates", "believes", "intends", "estimates", "projects", "potential" and similar expressions, or that events or conditions "will", "would", "may", "could" or "should" occur. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results may differ materially from those in the forward-looking statements. Factors that could cause the actual results to differ materially from those in forward-looking statements include regulatory actions, market prices, and continued availability of capital and financing, and general economic, market or business conditions. Investors are cautioned that any such statements are not guarantees of future performance and actual results or developments may differ materially from those projected in the forward-looking statements. Forward-looking statements are based on the beliefs, estimates and opinions of the Company's management on the date the statements are made. Except as required by applicable securities laws, the Company undertakes no obligation to update these forward-looking statements in the event that management's beliefs, estimates or opinions, or other factors, should change.
